SUBJECT: Application for Summer Internship Opportunity

Dear sir,

I hope this message finds you well.

I am writing to express my sincere interest in obtaining a summer internship opportunity at your esteemed organization. I am currently pursuing my studies in computer science specialization in AIML, and I am keen to gain practical experience that will allow me to apply my academic knowledge in a real-world professional environment.

Throughout my academic journey, I have developed a strong foundation in machine learning, and I am particularly interested in expanding my knowledge and skills further by working alongside experienced professionals in your organization. I am highly motivated, eager to learn, and committed to contributing positively to any team I become a part of.

Your organization's reputation for excellence, innovation, and professionalism has inspired me to seek an opportunity where I can both learn and grow. I strongly believe that this internship would not only enhance my technical and interpersonal skills but also provide valuable insights into industry practices and expectations.

I would be grateful if you could provide me with information regarding any available internship opportunities or the application procedure. I have attached my resume for your review, and I would be happy to share any additional information if required.

Thank you very much for your time and consideration. I look forward to the possibility of contributing to your organization and gaining meaningful experience.

Yours sincerely,
NITIN KUMAR (25BAI11266)
